Missionary Notes

God is doing a wonderful work in our Association and He gets all the Glory! We had an awesome weekend ministering with the Jubalheirs.....150 dental patients served, 2 block parties, one concert, Voice of Grace Dream House worked on, ministry done in 2 nursing homes and two assisted living homes, 2 churches started, the DBA office got a "face lift" and a total of 14 people received Christ. God is SO faithful!

Our WMU Missions Celebration was a true blessing. Thank you Betty Fountain and First Baptist Mt. Vernon for graciously planning and hosting this event.

Our D-NOW event for students was a great success with over 500 people participating from our different DBA churches. Our students not only worshiped together but they did a massive amount of mission work for the Savior. Thanks to all for the participation, work, and cooperative spirit. Also, thank you to our DBA Youth Ministry Team led by Scott Morrison for your leadership.

Evangelism Trailer Training will be offered this Saturday, March 3rd at 10 a.m. to any church who did not go through it last year. Remember, in order to use the trailer (and its contents) you must have a representative of your church go through the training. Training will be held at our DBA office.

On March 15 at Higston Baptist at 6:30 p.m. we will be hosting a **Security Seminar** for all of our DBA churches. This is a general session on why churches need to consider security teams and will cover ways to make our churches safer and our church buildings less likely to be vandalized and broken into. This important training will be led by police chaplain Reed Benson of Stockbridge, Georgia and is being offered to you free of charge.

Please be in prayer as one of our DBA ministry teams will be feeding the 420 employees of the Alamo Prison (largest in Georgia) on March 23. We will also be offering a new church start for the employees currently not attending a church. God may choose to use this event in a marvelous way so please remember to pray.

Also, please be in prayer for our mission team of 29 as we minister in the Mayan community of Kantunilkin, Mexico April 2-7. This community is eager to hear a word from our Lord and I know He will bring salvation to dozens (if not hundreds) in this community.

New DBA Resource

No piano player?

No problem!

Introducing the world's first all-inclusive accompaniment tool designed for congregational singing. Now, you don't ever have to be without a piano player again, because m.a.c. (musical accompaniment for church) is on time, every time.

Thanks to our partnership with the Georgia Baptist Convention the churches of the Daniell Baptist Association now have a piano accompaniment system that can be checked out and used free of charge. This is a wonderful system outfitted with Bose speakers that will truly enhance a churches worship service if they are without a church accompanist. For more information please give us a call at 912-583-2713 or check out the video demonstration on our website at www.dbachurches.com
