Partnering with churches to reach communities for Christ!

June 2014

Grace Notes

- Our Youth Ministry Team did a wonderful job planning and implementing this year's CONNECT conference for students and their parents. Thank you Tabernacle for hosting and thank you Jesus for bringing 3 students into the Family of God.

- DBA Camps are almost here and I can already sense the excitement of children, parents, and camp staff. If you have not already enrolled your child (or grandchild) in one of our camps please do so this week to reserve their spot. To obtain your registration form please call our DBA office or you can go to dbachurches.com and click the Camp tab. Please remember, once our camps are full we will not be able to accept additional applications so register as soon as possible.

- Please put on your calendar October 2-5 for **LOVELOUD DBA 2014**. We are asking each of our 51 DBA churches to do a mission project sometime during that weekend for the community. Projects could be anything from building wheelchair ramps, cleaning a park or painting a house. Please keep this in prayer as you seek what your project may be that weekend. Once you have decided on a project please contact our DBA office to let us know of your plans. Also, if you need financial assistance for your project please contact our office as some funds are available.

- God is blessing our Association in wonderful ways as we plant churches and reach communities for Christ. If God has blessed you financially please consider partnering with us in our mission. To donate online please go to the following link: <http://bit.ly/1itJOfQ> Please remember, all contributions should be in addition to your normal tithes and offerings you send to your local church family.

- Please be in prayer for our Associational Mission trip to Jacksonville, Florida, June 1-6. There are 21 of us going and we will be working with the Words to Works ministry throughout the week. We are looking forward to God doing amazing things for the people we minister to, as well as in the lives of our team.

Blessed to Serve,
Robby
