Treasurer's Report

Partnering with churches to reach
communities for Christ.

From the desk of our Director of Missions

Paul writes and informs the church at Corinth that he plans to stay in Ephesus because "a wide door for effective work" was opened to him (1 Cor. 16:8-9). Katy and I moved to this area almost 1 year ago because we sensed there was an open door for effective work. The possibility of kingdom impact makes the mouth water.

We are confident of an open door here, and there is a vision forming. My expectation is that together the churches of the Daniell Association will be able to develop a 3 year action plan for partnership in ministry and mission engagement.

I am eager, not just to sit down and speak with you, but to connect with you in ministry.

We need our collective ideas, efforts, resources and partnerships in order to attain greater kingdom impact than we can separate and in isolation.

Include your sister churches and fellow pastors in your journey of faith and ministry.

Daniell Association is going to present several opportunities to connect for ministry and missions.

Be inclined to **say yes** to opportunities to be in relationship with your sister churches. Your faith will certainly be enriched through communion with your brothers in the ministry. Our blessings will be magnified and our kingdom impact will increase in partnership. Together we will pursue our joy in the faith and the advance of the kingdom of God.

Brother Billy

Kantunilkin Missions Report

International missions will be an area in which you will be able to join together for the kingdom. Over the past several years we have engaged in a substantial mission work in Kantunilkin, Mexico. This mission work was accomplished in partnership with our sister churches as we engaged in the Georgia Baptist cooperative effort. Together we built two church sanctuaries and both of these churches are alive and well today. Joey Davis, Mitch Bellflower and I worshiped in both of these churches on the recent scouting trip.

Our team sensed that a door for effective work is still open to us in Mexico. Our Lord was active and directing our steps, even during the brief time that our scouting team was on the ground. The presence of the Spirit of our Lord to open doors was evident, even to the believers in Kantunilkin. The scouting team is confident that our Lord will have us return to Kantunilkin. Please be in prayer as the Association's missions leadership team discerns the leading of the Spirit.

Brother Billy
