### DBA Executive Meeting October 14, 2018 5:00 p.m. First Baptist Church of Lyons

Members Present: Chris Vinson, Andrew Bolin, Brandon Braddy, Glenn Russell, Sandy Russell, Ernest Collins, Christine S. Speegle, Betty Thomas, Heather Posey, Mitch Bellflower, Joseph Davis, Eric Depratter, Chad Ritchie, Gady Youmans, Billy Puckett, Jessica Bolin.

Dannie Williams welcomed all to the annual meeting and prayed over the business about to be discussed. Chris Vinson called the meeting to order.

The changes proposed to the bylaws was introduced by Chris Vinson and opened for discussion. Being no discussion ensued a vote was taken to adopt the changes to the bylaws, all declared amen.

The changes proposed to the procedure manual was introduced Chris Vinson who opened the floor for discussion. Billy Puckett clarified the changes to the nominating team being dissolved and the change to the title of director of missions, as recommended by the Georgia Baptist Mission Board. The vote was taken to adopt the changes to the procedure manual, all declared amen.

Andrew Bolin announced the pastors who have been called to DBA churches in 2018: Keith Tipton, Hope; Byron Waters, United Fellowship; Paul Wilkes, Mount Pisgah.

Chris Vinson called attention to the newly ordained pastors, Jonathan Jenkins, Byron Waters, and Joshua Johnson and requested prayer for these pastors. He then noted those who have been called home under the memorial section of the Book of Reports.

Gady Youmans gave his testimony for the Sweet Onion Christian Learning Center, thanking the church of the Daniell Baptist Association for their support and prayers. He gave great news as the Gospel is being taught in our public school system through the SOCLC and shared amazing stories of how the school is impacting the Kingdom with students who have accepted Christ. Gady is looking forward to expanding the school to more territories.

Joseph Davis gave his testimony for El Camino, noting that the move from Glenwood to FBC Lyons was a success, with many people attending the opening night. Many have also been attending church service since then and over 50 people are attending the English as a Second Language classes. Joey request prayer for the church and explained that there is a need for children Sunday School teachers and teachers for English as a Second Language classes. The church is also offering Spanish classes. Beginners meet on Thursdays from 7-8:00 p.m. and intermediates from 6-7 p.m. at FBC Lyons.

Chad Ritchie of Brewton-Parker College noted that there has been an addition in enrollment as well as a great number of students enrolling in the ministry fields. BPC requests continued prayer

support and would like for the association to specifically pray for a four-year nursing program for BPC. He thanked the churches of the DBA for their continued support.

Billy Puckett encouraged the Executive Team to remember that the spirit of the association is churches supporting each other, that there is no DBA without the churches, and that the association is not a separate identity but the combined efforts of all the churches working together. Billy then noted that the idea of doing missions either only in our home town, or only abroad, is a false dichotomy. The Word of the Lord tells believers to do both. Billy stated that each of us is a small part, but when all the churches work together in obedience to the Lord, we make a powerful whole, but each must be willing to do their part of the work.

Brandon Braddy then presented the financial report for September and the 2019 budget. He noted changes to the budget from 2019 and the increase of \$1,647 to the overall budget. Chris Vinson made the recommendation on behalf of the Administrative Team, noting the seconded motion, and called for a vote. All approved.

Billy Puckett encouraged the executive team members to begin to pray about the possibility of compassion ministry connected to the Georgia State initiative, Get Georgia Reading.

Chris Vinson closed the meeting with scripture reading, Psalms 133:1, and prayer.

Respectfully submitted, Jessica Bolin Clerk

#### REPORTS

#### **Annual Session Ministry Team**

The date for next year's annual meeting and celebration is October 12, 2019. With the meeting being held at 5:00 p.m. and the celebration at 6:00 p.m.

#### **Acts 1:8 Missions Team Report**

The Acts 1:8 Mission Team partnered Pastor Luis and Veronica Rodriguez at Iglesia Bautista Vida Nueva in Kantunilkin Mexico in July. We were able to help with a three-day Vacation Bible School Outreach that led to 20+ salvations. We were also able to teach/train a group of pastors and lay leaders the entire week. We did street evangelism and door-to-door ministries as well.

Approximately 310 cakes were delivered to the Children's Home in Baxley.

George Holcomb led a Disaster Relief team to Florence, South Carolina on September 24-28 to help with the clean up after Hurricane Florence.

Christmas Backpacks will be collected for our area and are due in November 5-7 at the DBA Office.

Operation Christmas Child Boxes were given out to churches wishing to participate and are due November 12-15 at the DBA Office.

Churches can participate in sending Christmas Cards to deployed soldiers by dropping off cards with an encouraging note to the DBA by November 15, the cards will then be sent overseas.

#### **Dental Ministry Report**

Well, we have great things to celebrate from the dental ministry this past week. God provided us with great dentist, hygienist and students, assistants, nurses and students, pastors, deacons that were willing to step up to ministering to our patients, translators, meals, people that just prayed for the ministry, and other volunteers for paperwork. Without each of these, this ministry would not happen because each of these mentioned is a very important part of these ministry. We all know God is at the top of the list, but the rest of these are equal in importance, and it would be hard to put this on without help from our local churches.

The most important part of the ministry is the getting God's word out to each patient before they are seen of the dental unit, through this we had 4 salvations. Praise the Lord for that and the men

that were able to present God's words for these patients. We prayed for every patient, got to talk with patient and if you don't already know, lots of people are just hurting (family issues, things they have done in the past) I think as Christians it is our jobs to reach out to these people and be that light to try and help them get through this. Yes, we had patient that didn't want to hear about anything we had to say, but all be can do is try and do what God has called us to do. We did our job!!

Our volunteers consist of 9 dentists, 1 Oral Surgeon, 4 dental hygienists, 3 hygiene students, 3 nurses, 3 nursing students, 3 translators, 8 pastors or other willing to share the gospel, 5 churches supplied meals, and about 8 volunteers that just gave up their time to help this week any way they could. Some people were used in more than one way, you should always be careful in letting me know what you can do because I will remember and put you to work. Everyone was greatly appreciated.

We screened a total of 98 patients We saw 87 patients We cleaned 30 patients We extracted 85 teeth We filled 18 teeth

There was 11 that we didn't see because they didn't show up, their blood pressure was too high (we advised them to see a dr.), or we couldn't work around their schedule for treatment. Overall, I think the week went very well and thank you for each church and person that gave up his or her time to help make this week go smoothly.

Another great thing about this ministry is we get to love on people that feels like no one loves them because of the way they look. I remember one of the young ladies we saw on that Saturday, when she came off the dental unit, she was so thankful. She had several teeth extracted, she was crying, and it was hard to hear, but she wanted to make a \$10 donation to the church. We hugged her and told her that her only repayment was to spread the love to others and let them know what God has done for her. Submitted by: Melinda Gladden

#### **Finance Team**

The Finance Team reports that the next annual budget has been prepared and presented and that the current years finances appear to be in line with budget.

#### **Surge Youth Camp Report**

The 17th annual Daniell Baptist Association SURGE youth camp was held at Brewton-Parker College June 18-22. Rev. Jeff McCormick served as camp pastor and Multitude Worship was the band. More than 120 campers and counselors served the local area during this mission minded camp. The camp theme was "All In", and campers learned about being all in for Christ. Outreach was done for the new Hispanic mission church that will be using FBC Lyons facilities, facility improvement was done for the Hispanic mission in Cedar Crossing, local nursing homes were visited, and patients ministered to, the grounds and facilities at the Dream Center were

improved, and work was done on the campus of Brewton-Parker College. Worship services and breakout groups were held each evening and 7 campers made Professions of Faith and an additional 7 made recommitments. Campers expressed how this camp helps them learn to live out their faith and have a true relationship with Christ.

#### **Associational Missionary Report**

2017-2018 has certainly been a substantial year for our associational work together, and I expect nothing less from 2019. In fact, I expect more. Although, for some of us, I think it may become more difficult before we see victory. So it was with Christ, the cross and the resurrection. But we must be willing to work hard and do what is best for the Kingdom of God and not our own.

What encourages me most is to sense the hand of God, guiding the work in this area. That makes me want to lean in and keep the pressure on.

We're going to continue what is bringing pastors and churches together and making kingdom impact: Hispanic church planting; the Wheeler Prison education program; children and youth camps; support for the many churches that are searching for their next pastor, and international mission work.

My hope and prayer is for us to add a true local DBA church revitalization effort and actively pursue an area wide evangelistic harvest with healthy churches following up and discipling new believers.

Also, I'm confident on account of the Scripture that we need to continue to have aspirations for effective compassion ministry and pray that our Lord will give us vision and his heart for the work. What continues to come to the surface over this past year is 3rd grade reading levels. 3rd grade reading levels are a matrix that our judicial system uses to determine how many prison cells to build in the future. Can the church use the Bible and compassionate teachers to impact the future trajectory of our children and our society? We'll see.

This association depends on its members to engage with one another and engage in the work. We need to leave behind the idea that the work of the kingdom is only at home or only in some other country. It is certainly both and obedient Christians and churches will make every effort to do both. Each one of us is a small part, but together we make the powerful whole and so each one is important. United, and each one pulling their weight, I am fully convinced that God can accomplish anything he wants through this association of churches and that is a very exciting prospect.
