**Annual Executive Business Meeting  
October 18, 2020  
Brewton Parker College**

Members Present: Glenn Russell (Fairview), Sandy Russell (Fairview), Christine Scarborough-Speegle (Stuckey), Bill Black (Rocky Creek), Lash Hayes (Rocky Creek), Janice Hayes (Rocky Creek), Adam Coker (FBC Alamo), Betty Thomas (FBC Alamo), Wayne Rountree (United Fellowship), Joe Phillips (North Thompson), Dannie Williams (FBC Lyons), Mitch Bellflower (FBC Lyons), Mitch Johnson (FBC Lyons), Doyle Waller (FBC Alston), Chad Cofield (FBC Soperton), Paul Wilkes (Mt Pisgah), Heather Williams (Mt Pisgah), Laura Hay (FBC Mount Vernon), Karl Hay (FBC Mount Vernon), Donny Brown (Friendship), Walter Jarrell (Friendship), Ricky Cummings (FBC Vidalia), Gaynor Ridgdill (Cornerstone), Robbie Fowler (Oak Grove), Andrew Bolin (Tabernacle), Joseph Davis (El Camino), Billy Folsom (Cross Timbers).

The DBA Annual Fall Business Meeting was called to order and led in prayer by Rev. Kerry Walker (Moderator and Pastor of Harmony Baptist). The meeting was held at Saliba Chapel at Brewton-Parker College. The Book of Reports was adopted and approved.

The vote was taken and approved to install the following new team members.

- Steve Edwards (Collegiate Ministry Team with Brewton-Parker)
- Karl Hay (Resolutions Ministry Team with FBC Mt Vernon)
- Jessica Jones (Surge Camp Ministry Team with Fairview)
- Luis Gonzalez (Treasure for the DBA with Ailey Baptist)

The Executive Team prayed over the new team members.

Rev. Kerry Walker directed all's attention to the memorials, and everyone observed a moment of silence and prayer. He then directed attention to the Ministers licensed during 2020 in the Book of Reports.

Rev. Bill Black (Vice Moderator and Pastor of Rocky Creek) introduced pastors that had been called to DBA churches this year:

- Wayne Rountree and wife Cindy were called to United Fellowship
- Timothy Cricket Green, wife Casey, were called to Red Bluff.

At this time, Brandon Braddy reviewed the financial report and proposed budget for the DBA for 2021. After a brief discussion the budget was approved by all.

Rev. Billy Puckett gave a brief Associational Missions Strategist Report. 2020 has been a year of challenges and adaptations in the wake of the coronavirus. Many events were cancelled, Surge Summer Camp, Children's Summer Camp, Mission Trips, but we are grateful and praise the Lord that we are able to meet together as an association of churches today. The churches of the DBA have partnered together this year to focus on Evangelism with A Prayer for Every Home A Bible in Every Home. Many of our churches prayed for every home in our four counties. Many pastors rejoiced and testified about the blessings of increased prayer within our congregations as they prayed for the people on their lists diligently. In February, billboards were put up and soon

requests came in for both Bibles and prayers, over 40 requests. Each request was met with prayer and contact from one of our pastors. Every single person who requested a Bible received one. We will continue this effort to reach every person in our four counties through 2021. Each church will receive a list with the same names as on the previous list, but with the addresses included so the church may reach out through mailings. Next year's focus will be on Discipleship. A training conference will be offered, the date and location will be announced. We should continue to keep looking forward and keeping our eyes on Jesus as we move into 2021.

Rev. Kerry Walker informed the Executive Team that the Annual Executive Business Meeting is proposed for October 17, 2021, with the location to be announced. This date was approved by all present.

There being no further business, Rev. Kerry Walker adjourned the meeting and Rev. Billy Puckett prayed.

Respectfully submitted,  
Jessica Bolin  
Clerk

**Executive Team Meeting**  
**February 18, 2020**

Billy Puckett welcomed all in attendance and prayed for God's presence in our meeting.

Kerry Walker called the meeting to order, introduced the purpose of the meeting, and called Dannie Williams, team leader of the credentials team, to share the recommendations.

Dannie Williams shared that Better Together Christian Community Church has

*Completed the six-month watch care period and has established satisfactory evidence set forth in Article V, Section B. The Credentials team is recommending membership of the Better Together Christian Community Church into the Daniell Baptist Association of Churches*

Dannie noted that Better Together Christian Community Church has diligently studied and are committed to the cause of the Baptist Faith and Message.

At this time Brother Kerry invited those attending from Better Together Christian Community Church to step out as the Executive Team considers this recommendation.

After some discussion, Bro. Kerry Walker clarified the voting process within the Executive Team. The motion has been brought by the Credentials Team and a motion made by a committee chair does not need to be seconded because the committee already voted to move the motion forward, meaning that at least two members already agreed that it should be discussed. The Executive Team was, therefore, ready to vote. The Executive Team voted unanimously to accept Better Together Christian Community Church into the Daniell Baptist Association of Churches, with all the privileges and responsibilities that membership entails.

Better Together Christian Community Church members were welcomed back into the meeting and into the Daniell Baptist Association.

Billy Puckett closed the meeting in prayer.

Respectfully submitted,  
Jessica Bolin  
Clerk

Nov. 3, 2019 - Gaynor Ridgdill licensed as Minister of Gospel

July 18, 2020 - Ladies' Prayer Group started

July 26, 2020 - Rev. H.G. Ridgdill's last Sunday as Pastor

Higgston: Like most churches in our area we shutdown in person services March 22nd - July 31st due to the Covid-19 Pandemic. We began streaming services through our website and social media, which we are continuing to do now that we have opened up Sunday School classes and in person services. This is also the first year we did not hold VBS. Also, we cleaned and updated our membership list, dividing it into active and inactive lists.

Smith Street: We were impacted in many ways by the Covid-19 virus. We ordained two deacons.

South Thompson - Physical attendance at the church was suspended from March 22 thru June 1, 2020 due to COVID-19

### **Ministers Licensed 2019/2020**

Cornerstone - Gaynor Ridgdill

Higgston - Ashton Jackson, Minister of Music and Youth

Smith Street - David Barrett

# REPORTS

## **Annual Session Ministry Team**

The date for next year's annual meeting and celebration is October 17, 2021. The location and times will be determined.

## **Children's Camp Report**

Unfortunately, the DBA Children's Camp was not able to meet this year, due to the Coronavirus. Our dates for 2021 are June 28-July 2.

## **Dental Ministry Report**

March 2020 Dental Project Mt. Vernon First Baptist Church

This year was another great year and we got to see God's great work through the whole week and many weeks (months) before this project took place. I give him all the credit and glory he deserves, because without him involved in this project this project would be a totally disasters. So, I thank him and appreciate all he did in providing such a great project.

This week we screened 72 pts

There were 30 cleanings provided

There were 8 fillings provided

There were 68 extractions provided

We had 3 No shows which was great, and 1 patient was not able to come back for his appt due to another appointment.

We prayed or presented the Gospel to 69 patients

We had 7 patients accept Christ through the week, so yes this was a very productive week for the Lord.

We couldn't have done this project without God putting it on the hearts of our volunteers. We had a great group of people volunteer their time to work on this project this week and I am thankful for each one that participate this week, whether you came to the dental project or just prayed for us.

Our week consisted of 4 dentist, 1 Oral Surgeon, 9 hygiene student, 4 dental hygienists, and two dental assistants. Not to mention the nurses, nursing students, and other volunteers that shared their time this week. We had several pastors, deacon, lay people, and some students that shared their time to ministry to these patients and this is what is was all about.

Serving the Lords means serving others, sometimes that means sacrificing your time to serve others. If you don't understand that, it means sometimes we give up time to severe others than do something else we would rather do. I am totally gratefully for each and everyone that participated this week. It was such a blessing and I got to meet some new people and I love.

My heart goes out to everyone that helped this year may God bless you for serving.

Thanks,

Melinda Gladden

Many Blessings

## **Missions Team Report**

**Mexico:** Iglesia Bautista Vida Nueva with Pastor Luis and his wife Veronica are doing well but are still under strict restrictions due to Covid 19. Luis stated that the cases in Kantunilkin are rising. Recently Pastor Luis tested positive for Covid but is doing well. The church leaders and families are doing well. The church meets, but with a limited number and are using precautions. They are almost finished with

children's building and are saving for the next project. Luis and Veronica stated they were doing fine, financially, and the church has been able to pay its utilities and keep running on their reserves. Please stay in prayer for them, as they have to navigate like us, how to minister to the church and the community during this time. It is actually illegal there to travel, and if one disobeys it can be up to 30 days in jail. The Hospitals in Cancun have no more room for people, and many have ignored the precautions, which has caused the restrictions. Luis and Veronica sounded very happy yet need our prayers. No plans for any trips soon until travel restrictions are lifted.

**India:** Pandu has put out a video asking for assistance as they need 60,000 bibles for converts, and 100,000 tracts for ministry. They have over 700 church plants and around 40 church planters. Covid has affected their country as well. The Mission team decided to send \$2500 to their Association to buy around 833 bibles. They are still growing with house churches and training pastors and are in need of tracts and bibles.

**Bahamas:** There is a potential to partner with Drew Bolin as he is working with a pastor there to become a Baptist Church. They are asking that we send money for Mattresses and possibly provide training when travel restrictions are lifted. The DBA Mission plans to organize with Associational churches to help strengthen a church and their leaders.

**Local Outreach (Better Together):** We have been working with Better Together Church to restore their sanctuary. They have also partnered with Iglesia Bautista de Cedar Crossing to help with the renovations of the Hispanic Church Sanctuary. With the help of Billy Pucket, Iglesia Bautista de Cedar Crossing, Iglesia Bautista El Camino, Better Together, and First Baptist Vidalia the kingdom of God has been demonstrated in a beautiful way as 3 cultures came together to work for the Lord and showed love and fellowship with each other. Better Together has truly been a blessing as an addition to our Association. There is still much left to do at both churches and they are in need of resources.

**Real Discipleship Ministries:** Real Discipleship Women's ministry will be doing a special retreat for women on October 23. The mission team decided to give \$500 to help with whatever needs they may have that weekend. We look forward to God working in the hearts of our sisters to further His kingdom.

**Christmas Backpacks:** 146 backpacks for Appalachia and 26 for Wheeler County were collected last year. (The goal this year is 200 for Appalachia and 50 for Wheeler County)  
Backpacks collected for our area are due in November 4-6 at the DBA Office.

**Backpacks for Wheeler County:** 27.4% of Wheeler County lives below the poverty line, this is much higher than the national average of 14%. Let's show these children the love of Christ during the Christmas season by providing them with everyday items. You can drop off backpacks at the Annual Fall Celebration (Oct. 20, 6 p.m. Brewton Parker College) or during collection week: Oct. 19-21 from 9:30am-Noon or 1:30pm-3pm Instructions for Backpacks and Supplies can be found on DBA Website. ### **Surge Youth Camp Report**

Winter Surge was held February 21 and 22 at First Baptist Church of Mount Vernon. There were a little more than 100 participants including students and leaders. The Friday evening sessions focused on missions, then on Saturday the students had the opportunity to actively participate in mission activities. They served our local communities in many different ways including passing out Bibles and witnessing. Some also participated in light construction/repair work activities.

Summer Surge which has been held at Brewton-Parker College for the last 19 years was not able to meet this year. Due to the pandemic all camps were cancelled.

#### **Foreign Missions**

Kantunilkin, Mexico -- REALTribe is doing well! They continue to meet every Monday. Veronica and REAL do communicate regularly. Real Discipleship ministry sent new Bible studies.

### **Associational Missionary Report**

These are some of the most interesting days that I have seen. The aftermath of hurricane Katrina in New Orleans was unique, but the events of 2020 may win the prize.

Before we talk about the effects that a pandemic had on all of us, we want to remember one of the highlights of our work together each year, our Acts 1:8 Christmas. This past November and December the Acts 1:8 Christmas was a success as we came together to bless many in our area, our state, our nation and to the ends of the earth.

Shortly after a wonderful Acts 1:8 Christmas, Covid19 arrived in the USA and impacted everything. The first way that Covid19 impacted the DBA was by shutting down our mission trips. Our India trip was the first casualty. Several of our DBA leaders were poised to go to India to work with the Victory Baptist Association and Dr. Pandu Madala when the virus halted international travel. We were going to help train leaders for the 100's of new church plants that are developing in India. As the world closed its doors, it became evident that we would need to wait for another opportunity to go and continue to participate in the ministry through prayer. As time went on it was clear that nearly all mission activity outside our local area would need to wait.

Locally, in the spring, most of our DBA churches closed the church house for a time. Our faithful Lord used this time to teach us that the Church is not a building, but a community of Spirit filled disciples following Christ. During this time our spiritual leaders took counsel together, encouraged one another and continued to spread the gospel into the highways and byways of the internet and around the world. We learned many new skills this year.

Covid19 and social unrest in our country provided opportunities for our churches to engage our community and proclaim the gospel. Several of our churches brought practical relief to our area through compassion ministries such as providing food to the most vulnerable. As our communities gathered to lament over and pray about the current social unrest in our country, many of our spiritual leaders stood tall at these events and made it clear that turning to Christ and submitting to His Word is the only hope we have for healing this nation.

The spiritual life of our children and youth has been greatly impacted by the events of 2020, or maybe we should say the lack of events in 2020. Our DBA camps are so important for the spiritual development of our children and students. This summer we were not able to host our DBA Surge and Children's camps, but we are eager and looking forward to the greatest camps ever in 2021.

Our 2020 emphasis was evangelism and we enthusiastically engaged in A Prayer For Every Home A Bible In Every Home. Many were inspired and began to pray for every home in our 4-county area as well as deliver a Bible to every household who wanted to receive the Word. Beginning at last year's DBA Annual Meeting, every DBA church received a list of every home in their area. This list was used by many DBA churches to pray for the salvation of our neighbors. I was encouraged and hopeful because of the increase of prayer in our churches from October to March. Many pastors rejoiced and testified about the blessings of increased prayer within our congregations.

We led with prayer from October to March and in February we hosted evangelism training for our churches at Brewton-Parker College. In March we began the effort to provide a Bible for every home. From mid-March to the end of May we received more than 40 requests for a Bible and prayer. Unfortunately, as Covid19 brought social distancing and isolation, we were unable to deliver Bibles in

person like we hoped. We mailed Bibles to those who asked and many of our pastors made phone calls to share the gospel.

The aspiration to pray for the salvation of our neighbors and to deliver the Word of God to every home has not been extinguished by Covid19. I continue to believe that a great move of God in salvation will

be accompanied by a great move of prayer in the Church. This effort to increase prayer for the salvation of our neighbors and distribute the Word in our 4 counties will not stop.

In September we hosted the Georgia Baptist Mission Board's Spark Conference. Spark was an online church strengthening event that touched on every area of church life. The DBA has purchased access to Spark for all DBA churches for the next year. Make sure you have your DBA Spark login and password so that your congregation may benefit.

In 2021 our Association will emphasize discipleship. We are called to be disciples who make disciples who make disciples (that's not a typo). The goal is the increase and spread of the image of Christ in and through disciples who make disciples. Let us pursue our calling together. We move into the future with confidence in our Lord and Savior Jesus Christ and His sovereign power to work everything for the good of all those who love God, are called according to His purpose and are predestined to be conformed to the image of Christ. If He is for us, who can prevail against us? Praise the Father, Son and Holy Spirit! I am excited and looking forward to everything God will do in and through us in the upcoming year.

## **DBA Report and Support Letter 2020 from Associational Mission Strategist Billy Puckett**

Association members and leaders,

Your servants at the Daniell Baptist Association are praying for you and working to see the churches of the DBA succeed in partnering together to accomplish the Great Commission for the Glory of God. This is why we exist.

**The Daniell Baptist Association exists to bring glory to God through facilitating partnerships between churches to accomplish the Great Commission.**

The mission statement of the DBA is derived from a kingdom vision driven by God's good pleasure to reconcile all things to Himself through the blood of Christ (Col. 1:19-20). Our prayer is that each church will move toward a greater participation in the life of the association.

Consider taking these steps over the course of the next year to increase your relationship as an association of churches.

**1. Revisit the church's current financial participation as a member of the DBA and increase giving from undesignated receipts by .5% or 1%.**

For your convenience we provide two ways for our churches to partner financially in work of the Daniell Baptist Association:

- Checks can be mailed to Daniell Baptist Association,  
P.O. Box 388, Ailey, GA 30410
- Secure online donations via Paypal <https://dbachurches.com/resources/giving/>

**2. As a church, commit to attend the annual business meeting and celebration each year in October.**

- Each year plan ahead and redirect your Sunday evening worship service and encourage your congregation to gather and worship with their brothers and sisters from around the area.

**3. Commit to pray and participate as a congregation in the activities of the association.**

- Commit to pray monthly for the other member churches and their leadership. Pray for your DBA servants and for the evangelism, missions, and discipleship efforts.
- The DBA monthly newsletter is a good place to keep up with association events and news that can be shared with the church so that you can be intentional in prayer.

**The DBA is working to fulfill its purpose and we want to highlight some of the actions we are taking to reach our goal.**

### DBA Membership

- **The Lord has increased the membership of the DBA** - Better Together Ministry became a member of our association this year and a second church has applied to join us. Both of these churches are welcome additions and contribute greatly to the strength and excellence of the DBA.

### **Evangelism and Discipleship**

- **Dental van ministry** - Several of our churches came together and partnered with our Georgia Baptist Mission Board to provide our community with the Dental van ministry which annually opens up opportunities for compassion and evangelism.

- Adrian Children's Camp - Many of our churches partner together to serve at our growing Adrian Children's Camp which strives to instill in our children how much they are loved by God.
- Wheeler Prison Education Ministry - Through the Wheeler Prison Education Ministry many of our pastors and gifted teachers share the redemptive Word of God and disciple men who are incarcerated.
- A Prayer for Every Home A Bible in Every Home - The DBA evangelism team has developed a plan that supplies the churches of the DBA contact list of people in the community who are reaching out for prayer and the Word. Through the A Prayer for Every Home A Bible in Every Home strategy our churches have joined together in prayer in an effort to pray specifically for the people in every home across our 4 counties.
- Evangelism Training - In this year in which we are emphasizing and encouraging local evangelism we are providing evangelism training to our churches both through our association wide training event and providing training at each church who extends an invitation for us to come share.

#### **World Missions -**

- India - We are engaged in crusades, church planting and Bible distribution in India in partnership with the Victory Baptist Association.
- Mexico - We are partnered with Vida Nueva church in Kantunilkin, Mexico for the sake of the gospel.
- Bahamas - We engaged in disaster relief in the Bahamas which has resulted in a partnership with a local Bahamas church moving towards joining our international Baptist community.
- Women's missions - New Orleans and Mexico - Our kingdom women have engaged in missions in New Orleans and in Mexico.
- **Local Partnerships** - The DBA is currently working to encourage and partner churches to engage our local community through ministry events and long-term compassion ministry. Currently we are working on literacy and afterschool programs.
- **Calvin Durrence Mission Offering** - The churches of the DBA join together financially in May of each year to support local world missions through our Association mission offering.
- **Local Hispanic Church Plants** - We are working toward the goal of sustainable Southern Baptist Hispanic churches in our area.
- **Surge Camp and Winter Surge** – A growing number of students and churches participate in our annual week-long camp in which our youth learn the importance of serving the kingdom of God and being on mission with Christ.
- **Acts 1:8 Christmas** - During the Christmas holidays our churches provide Christmas Backpacks for Appalachia and Wheeler County, Christmas Cards for US Soldiers, Operation Christmas Child shoe boxes and cakes for Baxley Children's Home.

Unity and Fellowship – We provide opportunities for the members of our Christian community to build relationships, serve alongside one another, develop friendships and partnerships.

- **Pastor Connect** – Each month we provide our pastors with an organized method and means to contact one another and pray for one another.
- **Ministry Wives events** - We create opportunities for ministry wives to connect and fellowship.
- **Round table** – We regularly provide pastors with an opportunity to break bread together and discuss topics relevant to our calling.
- **Support for local ministry organizations** – The DBA reserves tables for our leaders at fundraiser dinners for the Dream Center and Mercy Clinic and Brewton-Parker College. We

also provide pastors and leaders an opportunity to play together at the Brewton-Parker College Golf tournament and fundraiser.

- **Pastor care** – We have funds budgeted which are used to provide pastors with assistance during times of personal difficulty. We want to increase this fund and be able to do more for pastors.

Without question, when churches partner together in ministry, we expand our scope and accomplish more for our King and His kingdom than when churches only work as completely separate and independent entities. The payer of your DBA leadership is that each church will embrace the opportunities provided through our partnership together and widen their vision of kingdom work by increasing their participation in the life of the DBA. Consider the description of the responsibilities of a DBA member church as listed in our association bylaws:

C. Responsibilities: Member churches of the Association are urged to take seriously their responsibilities to support the cooperative work of the Association. Member responsibilities include:

1. Reporting: Each church shall inform the Association of its annual progress by submitting the Annual Church Profile when requested by the Association.
2. Financial Support: Each church is encouraged to contribute financially to the work of the Association. It is requested that each member church include the Association in its budget on a percentage basis and give at least 3% of its undesignated receipts to the Association.
3. Fellowship and Representation: Each church is encouraged to send its full number of messengers and Executive Committee representatives to the meetings of the Association.
4. Convention Support: Each church is encouraged to contribute to Southern Baptist Convention mission causes through the Cooperative Program.

Your servants at the DBA want to be as useful as possible in facilitating the cooperative effort of our churches for the accomplishment of the Great Commission for the glory of God.  
May the Lamb receive the reward of His suffering!

## **Calvin Durrance Giving Restructure from Associational Mission Strategist Billy Puckett**

Dear DBA members,

Through our Calvin Durrance Acts 1:8 mission offering each year we are blessed to be a part of the work of the Great Commission locally and abroad. The DBA is thankful that we have been able to assist several local and international ministries and churches with monthly financial support for several years through the generous giving of our DBA churches.

The Calvin Durrance Acts 1:8 mission offering is a special offering given by our DBA churches in May of every year. When the DBA began the Calvin Durrance offering, we started with a substantial lump sum of money that has enabled the DBA to annually send out more money than the offering has produced. Throughout the years, the annual offering has never generated enough money to cover the financial support that has been sent out each year to the various ministries that the offering supports. Now, that beginning cash padding has been spent and we are no longer able to continue to send out more financial support than we bring in each year.

On July 30th, 2020, the Administrative Team of the DBA reviewed and voted to restructure how the offering is distributed. The new structure for distribution will begin January of 2021. Moving forward, at the beginning of each year the Administrative Team of the DBA, with the help of recommendations from our churches, will decide how to distribute the offering taken up in the previous year.

The DBA will continue to pray, give and go in order to assist the ministries and church planting efforts which have received support from the Calvin Durrance offering. These mission efforts have included our local Hispanic church plants; international church planting efforts in India and Mexico; Mercy Clinic; The Dream Center; First Choice Georgia Pregnancy Clinic (Rachel's House); and the Sweet Onion Learning Center.

Several of our DBA churches give financial support directly to these local and international ministries. The DBA wants to increase direct support from our churches to the local ministries supported by the Calvin Durrance offering. Your DBA leadership is challenging each church to give directly to one or more of these local ministry and mission efforts. These ministries are:

The Sweet Onion Learning Center

Mercy Clinic

The Dream Center

First Choice Georgia Pregnancy Clinic (Rachel's House)

If even three churches will commit to a monthly gift of \$50 to support any one of these local ministries listed, then the DBA will actually increase its local missions giving. Please bring this opportunity before the church and let's increase our support for these local ministries.

How can you give to these ministries? Several of these ministries offer online giving or you can send a check as your financial support to:

The Dream Center
