The Light

In 2019 Hurricane Dorian devastated the Bahamas. Since that time, the churches of the Daniell Baptist Association have gone to the Bahamas on multiple mission trips to share the gospel, restore homes, rebuild the community and build the church of our Lord Jesus Christ.

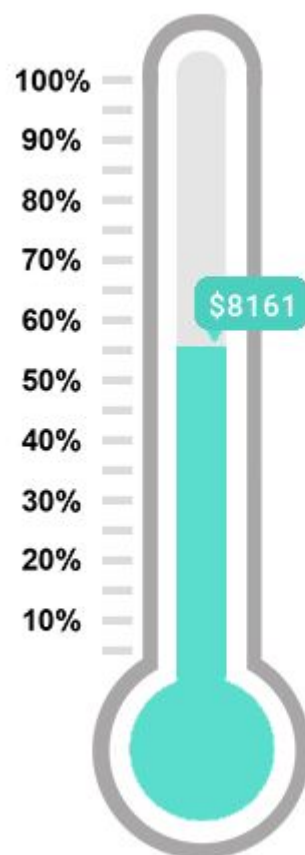

The work continues as several of our DBA churches partner together to travel again to the Bahamas this July 19-26, 2021 for the accomplishment of the Great Commission for the glory of God.

On our first DBA disaster relief mission trip to the Bahamas God opened a door for the churches of the DBA to engage in church planting by connecting us to a fellow minister and brother in Christ, Nehemiah Smith and his congregation. Through this partnership, the churches of the DBA have the opportunity to support the planting of the first Great Commission Baptist Church on the Abaco Islands. Pastor Nehemiah and his church leadership are now in the process of studying and adopting the Baptist Faith and Message 2000. We are working toward and praying that our Lord will instill in this new Baptist congregation a passionate heart for the Great Commandment and the accomplishment of the Great Commission.

Several of our DBA churches will be represented by this mission team including FBC Vidalia, Harmony and Tabernacle. The team consists of pastors, laypersons, college students and youth. We will participate in rebuilding houses, host a youth night for the teens, engage in evangelism and assist Nehemiah and the elders of the church as they move toward becoming a Great Commission Baptist Church!

The success of all our kingdom mission endeavors together depends on the prayers of the saints, the work of the Spirit and the power of the gospel of Christ. Please be a member of the mission team through your petitions and prayers. We also invite you to help fund the mission effort and join the team as a sending member. You can send your financial support to the DBA office or give online <https://dbachurches.com/gtc/>. Let's partner together for the accomplishment of the Great Commission for the glory of God!

MINISTERS' WIVES

Hi friends! I sure hope as things are heating up, flowers are in full bloom, gardens growing wonderful vegetables and sweet summertime is upon us, that your ministries are flourishing as well. Lord let it be!!! The beauty of God's creation is amazing and this time of year just makes me want to shout!!

Since summer is so busy, we decided not to have a scheduled meeting together as such but we did want to do something. So we are offering a coming together through reading.....a summer book club if you will. My church is participating in this and I felt it was worthy of sharing with you ladies too.

The book we will read is "Women of the Word" by Jen Wilken. It is my prayer that you are already in the Word daily and by no means should this take the place of that. Rather, I hope by reading this book the "way" you study the word is strengthened in such a way that your walk with our Lord flourishes like the beauty of summertime.

How it works is.....you just order the book

https://www.amazon.com/dp/1433567148/ref=cm_sw_r_cp_awdb_imm_CA52XN01M7K1PAGZQPZJ

and read along with us. We have divided it up into two segments....Chapters 1-5 by June 24 and the remainder by July 22. We will post this on Facebook on 'DBA Ministers Wives' page as well. Please use that space as a place to post how the book is impacting you, how it is challenging you, and just a "wow" moment if you have one. We want to brag on God and how He will work in our lives as we read to draw closer to Him.

I sure hope you will join us as we read and I sure hope God does a mighty work in you and your ministry as a pastor's wife through it.

Much Love,
Kellie

FIND YOUR SUNDAY

Find Your Sunday Event at BPC!

Join us in welcoming the students of Brewton-Parker College on
August 24th, 2020, from 5:00 - 7:00 p.m.
Location: Lobby of the Phillips Student Center at BPC

What is it?

Find Your Sunday is an event for churches to introduce themselves to the students of BPC and for students to find a place to connect on Sundays!

What should we bring?

You are under no obligation to bring anything at all, however, the students would certainly be blessed if you provide a bit of literature about your church, with information include your church's address and meeting times.

You can also win the hearts of students with snacks, helpful items for college students (like laundry detergent and school supplies) or just something fun that a college student would enjoy (wristbands, magnets, T-shirts, and welcome baskets).

How do we get involved?

If your church would like to participate, please communicate your interest to the DBA **NO LATER** than August 18th, so we may secure a table and spot for you. You can let us know via email daniellbaptist@gmail.com or phone (912) 583-4985.

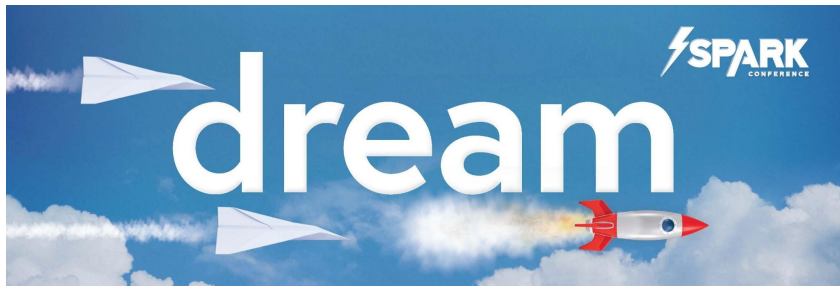

God continues to open the door for the churches of the DBA to impact the nation of India with the gospel. We have been in partnership with The Victory Baptist Association of India, led by Dr. Pandu Maddala for about 5 years. God has graciously allowed us to participate in an incredible movement of salvation in a nation that is unreached with the gospel. Good brothers from our DBA association of churches have traveled to India, preached the gospel and have witnessed God save tens of thousands in that country!

Over these 5 years the churches of the DBA have purchased thousands of Bibles for these new converts and Pandu has faithfully and diligently followed up these salvations, delivered these Bibles and has started hundreds of house churches.

God is opening the door for the churches of the DBA to continue in this partnership with the Victory Baptist Association.

Pandu has scheduled a church leadership training and development opportunity to take place via Zoom on July 28-30. Several hundred church leaders are expected to participate in these equipping sessions. Pray for God to provide the growth of these new churches and church leaders and let's give thanks to our Father who has graciously opened the door for our DBA family to participate, water and cultivate in the harvest field of India.
