Please consider entering church leadership updates online at http://igo.gabaptist.org. Contact helpdesk@gabaptist.org if you need a username and password to login.

If you choose to use these paper forms, you will need to add only the names for positions that apply to your church.

Please note that we desire both the mailing address and street address ("911" or physical address) information for the church. Make copies for your church records. Please return the Church Leadership forms with your ACR statistical forms to your Association or the Georgia Baptist Mission Board as instructed in the cover letter that you received.
