Helpful Hints

Churches can minister to students, families, and teachers by addressing their physical, emotional, and spiritual needs during the back-to-school season.

Physical & Financial Support

- **Backpack Blessings:** Collect and distribute backpacks filled with grade-specific school supplies.
- **Teacher Supply Drives:** Adopt a local school or specific teachers to stock their classrooms with tissues, wipes, and markers.

Spiritual & Emotional Encouragement

- **Prayer Walk:** Walk through local school campuses (with permission) to pray over classrooms and hallways.
- **Teacher Appreciation Lunch:** Host a free breakfast or lunch for school staff during their pre-service week.

Community Outreach & Events

- **Back-to-School Bash:** Throw a block party with inflatables, free food, and games to celebrate the new year.

From the AMS:

As we transition into the new school year, there is an excitement and energy across Toombs, Montgomery, Wheeler, and Treutlen counties. These are days of fresh starts, and renewed rhythms.

I want to encourage you to look on this time with great hope and eager expectation concerning the work of the Kingdom. The advance of the gospel is active and enduring, and God is continually at work in our congregations and our neighborhoods. The same Holy Spirit that saved you and me and is carrying us along this road of discipleship is the same Holy Spirit of God who is at work today, bringing salvation to our community. One of our great strengths as the Daniell Baptist Association lies in our partnership in ministry—churches standing shoulder to shoulder in the work of the kingdom of Christ.

As families adjust to the new schedules of the academic year, let us anchor our churches in prayer and a steadfast focus on the gospel and discipleship. The increased activity in our community presents opportunities to walk alongside students, parents, and educators, bringing the transformative light of Christ into their daily lives. Let us pray boldly for a continued spiritual awakening across our region and invest intentionally in making resilient disciples.

I am thankful for the faithful kingdom work of the churches of the DBA and our unwavering commitment to the gospel. May our Lord grant us unity, wisdom, and joy as we continue to serve together.

Ongoing Ministry opportunities

Continue to pray for the **Victory Baptist Association** and **Pandu Maddala** and add them to your weekly prayer list. Send support designated "for India":

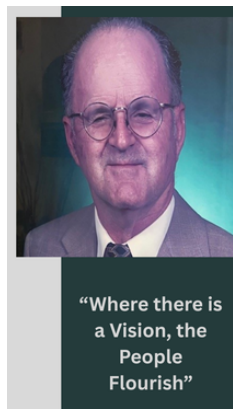

Rachel's House is a local Christian Ministry dedicated to offering free and confidential services in a loving environment to women in unplanned and crisis pregnancy situations.

Acts 1:8

Calvin Durrence Offering

Each year the churches of the DBA take up a special offering in memory of Calvin Durrence to reach the lost and build the Kingdom of Jesus Christ.

Continue to pray for the **Praetorian Project** church planting network for military communities.

Imago Dei is a ministry opportunity in Lyons that empowers children in foster care by instilling in them a sense of purpose and recognizing their inherent worth and dignity.

Encourage your church to be involved through donating and/or volunteering

Donating cakes in December is not the only way to support this ministry. Your generosity throughout the year helps create lasting change and opens the door for even more children to experience hope, healing, and a brighter future.

Andy and Courtney Miller serve in Tacna, Peru, where many residents don't fully understand the heart of the gospel.

The Millers' desire is to help Peruvians know the Word of God well so that the Gospel spreads through healthy local churches.
